

Relient K, I Celebrate The Day

And with this Christmas wish is missed
The point I could convey
If only I could find the words to say
To let You know
How much You've touched my life because

Here is where You're finding me
In the exact same place as New Year's Eve
And from a lack of my persistency
We're less than half as close as I wanna be

And the first time that You opened Your eyes
Did You realize that You would be my Savior
And the first breath that left Your lips
Did You know that it would change this world forever

And so this Christmas I'll compare
The things I felt in prior years
To what this midnight made so clear
That you have come to meet me here

To look back and think that
This baby would one day save me
In the hope that what You did
That You were born so that I might really live

And I, I celebrate the day
That You were born to die
So I could one day pray for You to save my life
