

Relient K, I Hate Christmas Parties

I hope it snows this week
A snowflake on your cheek
Would make this Christmas so beautiful
But that would just bring the pain
Cause things can't stay the same
These holidays won't be wonderful

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me
I can't figure you out
Is this what Christmas is all about
Cause it's a broken heart that you're giving me

I don't wanna talk
I'm sick of all this talking
A broken heart wrapped up in a box
There's teardrops in my stocking

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me
I can't figure you out
Is this what Christmas is all about
Cause it's a broken heart that you're giving me

I hate Christmas parties
You offer me some punch
But I just shrug
I hate Christmas parties
You and the cookie tray
Both hear me say "Bah humbug";

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me
I can't figure you out
Is this what Christmas is all about
Cause it's a broken heart that you're giving me

I look under the tree
But there's nothing to see
Cause it's a broken heart that you're giving me
