

Relient K, I Hate Christmas Parties

[Performed by Matthew Thiessen & the Earthquakes]

[Verse]

I hope it snows this week,
A snow flake on your cheek
Would make this Christmas so Beautiful
But that would just bring the pain
Cause things cant stay the same
These Holidays wont be wonderful

[Chorus]

I look under the tree
But theres nothing to see
Cause its a broken heart that youre giving me

I cant figure you out
Is this what Christmas is all about
Cause its a broken heart that youre giving me

[Verse 2]

I dont wanna talk
Im sick of all this talking
A broken heart wrapped up in a Box
This tear drops in my stocking

[Bridge]

I hate Christmas parties,
They offer me some punch,
But I just shrug
I hate Christmas parties
You and the cookie
Tray hear me say "Ba! Humbug"

Ful la la la la lala la la la la la [x3]

[Chorus]
