

Relient K, I Just Want You To Know

I'm a human being
Being happy and sane
Oh but human beings
We all need to quit
Being inhumane

I don't wanna say I'm right
I just want you to know
I don't want to say I'm right
I just want you to know

I've a reputation
For replacing
My confidence with fear
But I'll be untiringly embracing
The love I've found to be sincere

I don't wanna say I'm right
I just want you to know
I don't want to say I'm right
I just want you to know

To know that
There was a man
Who lived one day
With holes in his hands
As some do say

And I believe
We'd be friends
If we talked and prayed
So we do
That's why we do

I don't wanna say I'm right
Cause I just want you to know
I don't want to say I'm right
I just want you to know

Yeah I don't wanna say I'm right
Cause I just want you to know
I don't want to say I'm right
Cause I just want you to know

I just want you to know
I just want you to know
