

Relient K, I So Hate Consequences

And Im good, good, good to go
I got to get away
Get away from all of my mistakes

So here I sit looking at the traffic lights
The red extinguishes the hope that the green ignites
I want to run away I want to ditch my life
Cause all of my mistakes keep me awake at night

And after all of my alibis desert me
I just want to get by
I dont want nothing to hurt me
I had no idea where my head was at
But if my heart says Im sorry can we leave it at that
Because I just want for all of this to end

And I so hate consequences
And running from you is what my best defense is
Consequences
Oh God, dont make me face up to this
And I so hate consequences
And running from you is what my best defense is
Cause I know that I let you down
And I dont want to deal with that

It just now hit me this is more than just a set back
And when you spelled it out, well, I guess I didnt get that
And every trace of momentum is gone
And this isnt turning out the way I want

And after all of my alibis desert me
I just want to get by
I dont want nothing to hurt me
I had no idea where my head was at
But if my heart says Im sorry can we leave it at that
Because I just want for all of this to end

And I spent all last night
Tearing down
Every stoplight
And stop sign in this town
Now I think there might
Be no way to stop me now
I'll get away despite
The fact Im so weighed down

All of my escapes have been exhausted
I thought I had a way but then I lost it
And my resistance was once much stronger
And I know I can't go on like this much longer

When I got tired of running from you
I stopped right there to catch my breath
There your words they caught my ears
You said, I miss you son. Come home
And my sins, they watched me leave
And in my heart I so believed
The love you felt for me was mine
The love Id wished for all this time
And when the doors were closed
I heard no I told sos
I said the words I knew you knew
Oh God, Oh God I needed you
God all this time I needed you, I needed you

And I so hate consequences
And running from you is what my best defense is
I hate these consequences
Because I know that I let you down
Now I don't wanna deal with that
