

# Relient K, Less Is More

Jesus, I pray  
Take all my mistakes  
Throw them away  
Destroy them for my sake

Jesus, I call out 'cause I'm sorry  
Because I fall so short of your glory  
To the best of my ability  
I'm practicing humility  
And I lay myself before  
'Cause less is more

All that I have  
I lay before  
With my pride on the floor  
Cause to you less is more  
All that I have  
I lay before  
With my pride on the floor  
Cause to you less is more

I pour out myself  
All that I am  
You love me so much  
That you fill me again  
And may these words on my heart, on my lips  
Somehow mean so much more than this

Jesus, I pray  
Know what I'm trying to say

All that I have  
I lay before  
With my pride on the floor  
'Cause to you less is more  
All that I have  
I lay before  
With my pride on the floor  
Cause to you less is more

I pour out myself, before you were Lord  
I hold nothing back, 'cause to you less is more  
And may these words on my heart on my lips,  
Somehow mean so much more than this

Jesus, I pray  
Just know what I'm tryin' to say

Jesus, I plead  
Please purify me  
Make my heart clean  
Drench me with your mercy  
Jesus, I pray  
I love you, I need you  
For the rest of my days  
I swear I will seek you  
To the best of my ability  
I'm practicing humility  
And I lay myself before  
'Cause less is more.
