

Relient K, My Cape Is Stuck In The Phone Booth

What do I do
That amounts to
anything at all
wake me if I fall... asleep
My goals are what
they should be but
my mind will have to change
and see things another way
I'll be Taken a bull by the horns
take the action in this world
Jumping into the ring
and take control of everything
The blame im not thinking thats me of course
I look in the mirror and I see the source
spot my problems going to change my ways
I need Gods love I need his grace
i'm going to chage my ways- yeah yeah today
once again
I've fallen into sin
its like quicksand around my soul
the more I struggle the stronger it holds
onto me i want to be free
want to be able to see
that theres another way
if I check myself to day I want to
take a bull by the horns
take some action in this world
Jumping into the ring
and take control of everything
The blame im not thinking thats me of course
I look in the mirror and I see the source
spot my problems going to change my ways
I need Gods love I need his grace
i'm going to chage my ways- yeah yeah today
