

Relient K, No Reaction

I can't find no inspiration
Nothing that keeps me up at night
I wanna give you satisfaction
So you don't say whats right or wrong

Someone please tell me
Just what is not stickin'

Listen to the sound of the beat not stoppin'
No reaction

Lookin' at the chart but nothings toppin'

Listen to the sound of the reggae droppin'

Lookin' at the Matts and the Johns not talkin'
