

Relient K, The Lining Is Silver

I found my new black shoes
While cleaning out the bones left in my closet
They were there with a bad excuse
Bon Voyage

And I found a backup plan
I'm grateful that I didn't have to use it
But it's made of real good friends
Bon Voyage

Isn't it nice to know
That the lining is silver
Isn't it nice to know
That we're golden

Well I found a list of flaws
That I saw in myself and other people
And I threw it away because...
Bon Voyage

Isn't it nice to know
That the lining is silver
Isn't it nice to know
That we're golden
Isn't it nice to know (Isn't it nice to know)
That the lining is silver
Isn't it nice to know (Isn't it nice to know)
That we're golden
Yeah we're golden Oh-Oh

When it all falls apart
And you can't see it
The forest for the symmetries
Oh-Oh-Oh-Oh

Isn't it nice to, isn't it nice to know
Isn't it nice to, isn't it nice to know

Isn't it nice to know
That the lining is silver (Hey!)
Isn't it nice to know
That we're golden oh-oh (Hey! Hey!)
Isn't it nice to know (Isn't it nice to know)
That the lining is silver
Isn't it nice to know (Isn't it nice to know)
That we're golden
Yeah we're golden Oh-Oh

I found a love in me
I always somehow knew that it existed
It just needed to be set free
Bon Voyage

Isn't it nice to know
Isn't it nice to know
Isn't it nice to know
