

Relient K, The Scene & Herd

So here it is, it's just me.
A different drummer but the same old beat.
It seems like everything is gonna be just fine,
'cause I'm having a good time.

As long as I'm staying true to myself,
then how it is is something I can sell.
And I can sleep at night without your help, it's fine.
'cause I'm having a good time.

Oh! The scene and herd,
seem to make it all just a little bit worse.
And I don't wanna go down that road,
oh, no no no
The scene and herd,
I'll be the first, to tell you I'm worse,
but I don't wanna go down that road.
Oh no.

And I'm sorrowed that you probably,
magically got this song for free.
Ha! I'm not sure if it bothers me.
It seems fine, 'cause I'm having a good time.

If the path I take to validate,
everything I do, means everything I create
is knocking on the door of everything I hate,
I'll decline, 'cause I'm having a good time.

Woah! The scene and herd,
seem to make it all just a little bit worse.
And I don't wanna go down that road,
oh, no no no!
The scene and herd,
I'll be the first, to tell you I'm worse,
but I don't wanna go down that road.
Oh no.

No no no no no.
No no no no no.

Well everyone's got something on their mind,
and this is my thought, at this present time --
I'm gonna say what I want,
it may not be what you want to hear.
Oh, oh, oh.

The Scene and Herd,
block out the sun
like a flock of birds,
and I don't wanna go,
I don't wanna go.
