

Relient K, When You're Around

Like a child having nightmares
I will run, I'll run into your arms
I'll give you all of my cares and
This world will do me no more harm

When you're around
I don't know what to say
I don't know what to do
To let you know just what I'm thinking

I want to stay longer.
I made you you a place, a place within my heart
With you I'm so much stronger
That's why I'm glad we'll never have to part
