

# Relish, Summer Breeze

ooh, yeah  
summer breeze in my mind  
do do do do do  
no no no, its all in my mind

Chorus:

summer breeze  
makes me feel fine  
blowing through the jasmin in my mind  
do do do do do  
see the curtains hanging in the window  
in the evening on a friday night  
a little light shining through the window  
lets me know everything's alright

Chorus:

sweet days of summer  
the jasmin's in bloom  
July is dressed up  
and playing a tune  
when I come home from a hard day's work  
and you're waiting there  
not a care in the world  
see the smile waiting in the kitchen  
food cooking on a plate for two  
feel your arms reaching out to hold me  
in the evening when the day is through

Chorus:
