LIVIN' LA VIDA

LIVIN' LA VIDA

You've got sex on fire  
Confetti in the air  
But you got to feeling what you got, yo!  
Even if it rain on us, we've got yo!  
You see the crowd, and late tonight  
She lookin' good in the sun is right  
It sounds flat  
But I just don't care  
Coz I'm looking a good ... the better

..

Or what ever

LIVIN' LA VIDA

Every day is carnival
