

# Remedy, All Hell Broke Loose

(G. Anderson/J.P. Young/W. Morgan)

Between the devil and the deep blue sea  
I wait for Tracy, and she waits for me  
Outside my window making eyes at me  
She's in the bedroom, gonna set me free  
An old girlfriend dropped in for a cup of tea  
I let her in, we made it three

And All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
Ow!

Between heaven and this side of hell  
I was born a lover, and I do it well  
She was younger than her looks would tell  
With a little style they carry well

Teenage daughters Eloise and Annabelle  
Four of us swinging, ringing like a bell

And All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
All Hell Broke Loose  
Ow!

Swinging, ringing like a bell  
Look out, hell's breaking loose  
All Hell Broke Loose, ringing like a bell  
All Hell Broke Loose, Hells  
All Hell Broke Loose, breaking loose  
All Hell Broke Loose  
All Hell Broke Loose
