

# Remedy, Bad Boy For Love

(Rose Tattoo)

Thirty days in the county jail  
Let me out and I just wanted to wail  
Some fool tried to hold me down  
I got drunk and I ripped up the town

I'm a bad boy...a bad boy for love  
I'm a bad boy...a bad boy for love

Well I...I went around just to see my chick  
I found her room and it was candle lit  
She's makin' love to another man  
I shot 'em both and they locked me in the slam

I'm a bad boy...a bad boy for love  
I'm a bad boy...a bad boy for love

Mmm bad...so bad

Well I...I heard the the weather was a local break  
It was a chance I just had to take  
I jumped the wall and I was on the run  
They came after me with a thousand guns

'Cause I'm a bad boy...a bad boy for love  
I'm a bad boy...a bad boy for love

Yeah I'm a bad boy...a bad boy for love  
Yeah I'm a bad boy...a bad boy for love

Honey I'm bad...thirty years mama  
In the county jail...
