Remedy, Bad Boy For Love

(Rose Tattoo)
Thirty days in the county jail
Let me out and I just wanted to wail
Some fool tried to hold me down
I got drunk and I ripped up the town

I'm a bad boy...a bad boy for love I'm a bad boy...a bad boy for love

Well I...I went around just to see my chick I found her room and it was candle lit She's makin' love to another man I shot 'em both and they locked me in the slam

I'm a bad boy...a bad boy for love I'm a bad boy...a bad boy for love

Mmm bad...so bad

Well I...I heard the the weather was a local break It was a chance I just had to take I jumped the wall and I was on the run They came after me with a thousand guns

'Cause I'm a bad boy...a bad boy for love I'm a bad boy...a bad boy for love

Yeah I'm a bad boy...a bad boy for love Yeah I'm a bad boy...a bad boy for love

Honey I'm bad...thirty years mama In the county jail...
