

Remedy, Chinese Dunkirk

(Anderson/Leach/Cocks/Royall/Wells)
If you cut out my heart I could go on living
I sold my soul for borrowed time
Things not meant for the mind of man
Secret dark shadows deep in his mind

Just look in my eyes and you'll see it
There's something in mine you ain't got
If there's something you want that's worth havin'
Don't settle for less, take the lot

If you're the devil's daughter
I'm the devil's son
Well fuse with so full passion
Incest will be done

Sister...I'm the devil's son

Black cats and priests won't cross my path
Where I spit, no grass will grow
You never ever met anyone like me
That's all you need to know

I've been a sinner for far too long
To ever wanna be a saint
If Satan wants me, he can come and get me
I don't give nothin' away

If you're the devil's daughter
I'm the devil's son
Well fuse with so full passion
Incest will be done

Oh, Sister...shake hands with the devil's son

The devil in you is only in my head
Lucifer lives in my soul
I made a bargain for glory and riches
Paid the same price as days of old

I heard all about divinity
But angels don't turn me on
They say life's for livin' so live it
Find a Highway To Hell and lead on

If you're the devil's daughter
I'm the devil's son
Well fuse with so full passion
Incest will be done

Look at me, sister...you're lookin' at the devil's son

Sister, brother, sister, mmm lover
I'm your brother, I'm you're lover
I'll be your lover, sister
Ooh sister

Hey sister! Ooh, here I come!
Ooh sister, here I come!
I'm the devil's son, sister!
Ow sister! Ow sister!
Ooh, Ow sister, sister, sister!

Here I come, sister!
Sister, Aaaahh!

If you're the devil's daughter
Look at me I'm the devil's son
Well make love with so full passion
Incest will be done

Oh sister, look at me I'm the devil's son
I'm you're brother, ooh sister
Ooh yeah, look at me sister
Look at me sister
Look at me sister

I'm the devil's son
I'm the devil's son
Sister, sister, sister, sister, sister...
