

Remedy, Get It Right

(Anderson/Cichon)

I bet you thought you had us beaten
I bet you thought you had it made
I'm here today giving you the warning

I'm gonna shake it up
Turn it round
Got to get it right

You had you're chance now we're taking over
Cause we want the changes now
Living answers to the questions
Gonna call it people power

CHORUS

Hey-got to get it right
Turn it round
Got to get it right
Ya listenin', got to get it right

And tell the world
Put a smile on your face
Put a dancing rhythm in your feet
Spread the word of the new revelation
To everybody that you meet

CHORUS repeat

Got to get it right
We're running out of air
Cause they're chopping down the trees
Running out of places to swim
Cause they're dirtying up the seas
I can feel a smile on my face
Feel an itchiness in my feet
Telling me telling me
Take it to the street
Shake it up
Got to get it right
Ha-ha-ha
Got to get it right
Ain't fooling around
Listen, shake it up
Turn it round
Got to get it right, got to get it right
Say it after me
Turn it round
Let me hear ya, got to get it right
I want to hear ya, we're gonna put it right
Got to get...got to get it right
