

# Remedy, Say Goodbye

(Anderson/Cichon)

Does destiny wait for me  
Or is life just a charade  
Are we beats from a single drum  
Or jokers on parade

## CHORUS

Some of us are winners  
Some must lose  
When you feel the power  
It's time to choose  
And say goodbye to your old ways  
You won't need them

Goodbye to the old days  
They won't be coming around  
They won't be coming around  
Again

## CHORUS repeat

Goodbye to the old days  
They won't be coming around  
They won't be coming around  
Again
