Remo, Happy People (& MARCO)

Happy people join together (Love vibration)
Everybody wants some fun
Take a breath and dive into the ocean
Only God has give us so much time

Happy people join and feel the love It?s together /2x (It?s the love vibration)

Happy people! Happy people!

Happy people join together Everybody feel the vibe Love is in the air Let?s stay together Find the place to hide before the sun

Happy people We love the summertime Everything is gonna by alright

Happy people join and feel the love It?s together (It?s the love vibration)
