

Remy Ma, Feels So Good

(feat. Ne-Yo)

[Ne-Yo]

We up in this room (Yea)
I'm here putting it down on you (mmm)
Now your pushing back At me and I don't want to let you leave
But baby girl You feel so good
Lil mama tha thing is so good
Girl the way that moving so good
I wanna do it again do it again (so good)

[Remy]

Stop acting crazy imma keep it real
C I just need some one that gives me something I could feel
Have a little small talk and a nite on the town
It could all be yours if you go a nother round
Don't wanna loose you in it cuz the groove iz in it
But it really don't matter long as you be in it
Boo wats gotten in to you
I told you I got a interview but you wanna get intimate
Why you tryna get in to it

[Ne-Yo]

Baby I noe you got moves to make
But you ain't leaving till I get a nother taste
I ain't ashamed to say you got a nigga open babe
And imma need some more b4 you get away
(ooooh)
We up in this room (Yea)
I'm here putting it down on you (mmm)
Now your pushing back At me and I don't want to let you leave
But baby girl You feel so good
Lil mama tha thing is so good
Girl the way that moving so good
I wanna do it again do it again (so good)

[Remy]

Yea you pushed further and I'm seeing that you loving it
I'm pushed back and got you calling out ma government like Reminisce
I'm really feeling this and I don't like to kiss but I really like ya lips
See I'm tryna hold it but I cant control it
Ma mind is telling me stop but my body it keeps going
You want me to stay but I wish I could
Another day but tell me why I should

[Ne-Yo]

Baby I noe you got moves to make
But you ain't leaving till I get a nother taste
I ain't ashamed to say you got a nigga open babe
And imma need some more b4 you get away
(ooooh)
We up in this room (ooowowo)
I'm here putting it down on you (mmm)
Now your pushing back At me and I don't want to let you leave
Cuz baby girl You feel so good
Lil mama tha thing is so good
Girl the way that moving so good
I wanna do it again do it again (so good)

[Remy]

So good you cant even keep your hands off
So good you feel you need to go and put ya mans on
You got ya black berry off and your phone vibrating
And all you wanna noe iz why ma legs keep shaking

See we both grown and I noe wen the feel is rite
And wat you saying is making me wanna spend the nite
And now I focused and I'm open cuz ya noticed me
And I was hoping you'd say can I take you home with me

[Ne-Yo]

Baby I noe you got moves to make
But you ain't leaving till I get a nother taste
I ain't ashamed to say you got a nigga open babe
And imma need some more b4 you get away
(oooooh)
We up in this room (We up in this room)
I'm here putting it down on you (owowowoo yea)
Now your pushing back At me don't want to let you leave
But baby girl You feel so good
Lil mama tha thing is so good
