

# Ren & Stimpy, Nose Goblins

If you look under chair  
Or in your sister's hair  
I tell y'all better beware  
At what you're gonna  
find in there  
Refrain & Chorus:  
We's a half inch tall & green  
Short sticky & mean  
We can make your teacher  
scream  
'Cause we're the ugliest gang  
that you ever did see  
Nooooose goblins  
(We're the nose)  
Nooooose goblins  
(Nose goblins)  
People say we're gross  
'Cause we were born inside  
your nose  
But it was crowded back  
in there  
We had to share with a  
nostril hair  
(repeat refrain & chorus)
