

# Renaissance, In My Life

If I could be here with you today  
I would change all my ways  
Show you how I really care  
Night and day I'd be there  
All the moments I wasted then  
Calling you on the phone  
All the things I should have said  
Like how much I need you  
In my dreams I think of you  
Of all the things I didn't do  
Can I show you now  
In the morning and the night  
There's nothing that I wouldn't do  
To have you in my life  
I'd be there when you need a friend  
When you're sad I'd be strong  
Holding you to keep you warm  
Be there when you need me  
I would turn back the clock today  
I'd be faithful and true  
We could be in love again  
What I wouldn't do for you  
In my dreams I think of you  
Of all the things we didn't do  
Can I show you now  
In the morning and at night  
There's nothing that I wouldn't do  
To have you in my life  
In my dreams I think of you  
Of all the things we didn't do  
Can I show you now  
In the morning and at night  
There's nothing that I wouldn't do  
To have you in my life
