

Renaissance, On The Frontier

We all are standing unafraid on the frontier
We all are shadows in the shade on the frontier
When the dawn is come we will stand strong
Where we belong

The day belongs to each of us our time is getting near
The way is wrong for each of us our time is getting near
The seeds of yesterday are breaking through
To you

We're on the frontier now
We're on the frontier now
We're on the frontier now
We're on the frontier now

We're on the frontier now

So come on leave the dark behind and join the day now
It's peaceful revolution time to join the day now
Morning breaks the light will shine and find the blind

We all are standing unafraid on the frontier
We all are shadows in the shade on the frontier
