Renaldo Lapuz, We're Brothers Forever

I am your brother Your Best friend forever Singing the songs The music that you love

We're brothers 'til the end of time Together, and forever, 'Til the end of time

I am your brother Your Best friend forever Singing the songs The music that you love

We're brothers 'til the end of time Together or not You're always in my heart You're hurt, your feelings And you will worry no more
