I'll show you what it means to be one with the fire
The sun falls behind the hills, and the moon moves higher
Sifting through the goodness in your heart is all you could do
But all-consuming darkness will consume you too
Get away

Get away
Get away

I'll show you what it means to be one with the fire
The sun falls behind the hills, and the moon moves higher
Sifting through the goodness in your heart is all you could do
But all-consuming darkness will consume you too
Get away

Get away
Get away
Get away
Get away
