## Renard, Guiding Light

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight

Does it make you feel alright
To break it down and build your light
Does it break the silent night
To steal an angels' wings of white

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight

Does it make you feel alright
To break it down and build your light
Does it break the silent night
To steal an angels' wings of white

Keep your guiding light around Keep it burning bright Keep an angel underground Keep it out of sight
