

# Renato Russo, If Tomorrow Never Comes

Sometimes late at night  
I lie awake and watch him sleeping  
He's lost in peaceful dreams  
So I turn out the lights and lay there in the dark  
And the thought crosses my mind  
If I never wake up in the morning  
Would he ever doubt the way I feel  
About him in my heart

If tomorrow never comes  
Will he know how much I loved him

Did I try in every way to show him every day  
That he's my only one  
And if my time on earth were through  
And he must face the world without me  
Is the love I gave him in the past  
Gonna be enough to last  
If tomorrow never comes  
'Cause I've lost loved ones in my life  
Who never knew how much I loved them  
Now I live with the regret  
That my true feelings for them  
never were revealed  
So I made a promise to myself  
To say each day how much he means to me  
And avoid the circumstance  
Where there's no second chance to tell him  
how I feel  
So tell that someone that you love  
Just what you're thinking of  
If tomorrow never comes
