

Rene Froger, All By Myself Without You

Rene No I can't forget this evening

Or your face as you were leaving

But I guess that's just the way the story goes

You always smile but in your eyes your sorrow shows

Yes it shows

Danielle When I was young, I never needed anyone

And making love was just for fun

Those days are gone

Rene I can't live - If living is without you Danielle: All by myself

I can't give - I can't give anymore Don't wanna live all by myself

I can't live - If living is without you All by myself

I can't give - I can't give anymore Don't wanna live All by my self

I can't give anymore

Danielle: Livin' alone I think of all the friends I've known

But when I dial the telephone nobody's home

Rene I can't live - If living is without you Danielle: All by myself

I can't give - I can't give anymore Don't wanna live all by myself

I can't live - If living is without you All by myself

I can't give - I can't give anymore Don't wanna live All by my self

I can't give anymore

Daan: I can't live - If living is without you Rene: All by myself

I can't give I can't give anymore Don't wanna live

I can't live - If living is without you All by myself

I can't give - I can't give anymore Any more

Danielle Rene: Livin' alone I think of all the friends I've known

But when I dial the telephonenobodys home
