

# Rene Froger, Give Me The Night

Whenever dark is falling  
You know the spirit of the party  
starts to come alive  
Until the day is dawning  
you can throw out all the blues  
and hit the city lights

Cause theres music in the air  
and lots of loving everywhere  
so give me the night, Give me the night  
Give me the night, Give me the night

You need the evening action  
a place to dine, a glass of wine  
a little late romance  
its a chain reaction  
youll see the people of the world  
coming out to dance

Cause theres music in the air  
and lots of loving everywhere  
so give me the night, Alright Give me the night  
Give me the night, Alright Give me the night

so come on out tonight  
and we lead the others  
on a ride through paradise  
and if you feel alright  
then we can be lovers cause I see that  
starlight look in your eyes  
dont you know we can fly  
So give me the night, alright oh give me the night  
Give me the night, oh yeah alright give me the night, alright

And if we stay together  
well feel the rhythm of the evening  
taking us up ahigh  
never mind the weather  
well be dancing in the street  
until the morning light

Cause theres music in the air  
and lots of loving everywhere  
so give me the night, oho alright, give me the night  
Give me the night, oho alright give me the night

so come on out tonight  
and we lead the others  
on a ride through paradise  
and if you feel alright  
then we can be lovers cause I see that  
starlight look in your eyes  
dont you know we can fly  
So give me the night, aha alright give me the night  
Give me the night, alright oh yeah alright give me the night  
Give me the night, give me the night, give me the night
