

Rene Froger, Under The Christmas Tree

The warmest season of the year is here again
December is beginning to shine
A tingle's come into the atmosphere again
So fine, so fine

And everybody's running, getting something done
So little time and so much to do
I thought I'd write a note or two of Christmas cheer
To you, to you

Don't (don't)
Forget (forget)
The love (the love)
Under the Christmas tree
Tonight (tonight)
Put love (put love)
Under the tree

Everybody around the world
Wherever you may be
Don't (don't)
Forget (forget)
The love (the love)
Under the Christmas tree

The songs I love are playing on the radio
The people that I love on the way
I'm wishing once again the world could always be
A holiday, just a holiday

And don't (don't)
Forget (forget)
The love (the love)
Under the Christmas tree
Tonight (tonight)
Put love (put love)
Under the tree

Everybody around the world
Wherever you may be
Don't (don't)
Forget (forget)
The love (the love)
Under the Christmas tree

Merry Christmas
Merry Christmas

Everybody around the world
Wherever you may be
Don't (don't)
Forget (forget)
The love (the love)
Under the Christmas tree

Merry Christmas
Merry Christmas

Don't (don't)
Forget (forget)
The love (the love)
Under the Christmas tree

Don't (don't)

Forget (forget)
The love (the love)
Under the Christmas tree

Everybody around the world
Wherever you may be
Don't
Forget
The love
Under the Christmas tree
