

# Renee Olstead, Is You Is Or Is You Ain't, My Baby

I got a man that's always late  
Any time we have a date  
But I love him  
Yes I love him

So I'm gonna walk right up to his gate  
see if we can get it straight  
'Cause I want him  
Yeah I'm gonna ask him

I'll just ask him,  
Is you is or is you ain't my baby  
Well the way you're acting lately,  
Well makes me doubt  
You is still my baby, baby  
But it seems my flame in your heart's  
Well it's done gone out

A man is a creature that has always been strange  
Just when you're sure of what you'll find  
He's gone and made a change

Is you is or is you ain't my baby  
Maybe baby's found somebody new  
Or is my baby still my baby true

A man is a creature that has always been strange  
Just when you're sure of what you'll find  
He's gone and made a change  
Is you is or is you ain't my baby  
Maybe baby's found somebody new  
Or is my baby still my baby true
