

Reneé Rapp, Not My Fault - feat. Megan Thee Stallion

You know what?
It's not my fault you're like in love with me or something!

It's not my fault
You came with her but she might leave with me
It's not my fault
You've gotta pay for what I get for free
It's not my fault
You're like, you're like, you're like in love with me
It's not my fault you're like in love with me
You're like in love with me

Where she at? (Where she at?)
What she doin'? (What she doin'?)
Who she with and where she from? (Oh)
