

# Reneé Rapp, Talk Too Much

Tasted the blood in my mouth  
And left you there to bleed out  
It didn't feel like a dream

Woke up and you looked so cute  
Don't think I could love you more  
So what the hell does it all mean

I'm takin' everything I see as a sign and  
I know it's crazy  
But what if it's right

I'm here again  
Talking myself out of  
My own happiness  
I'll make it up till I quit  
I wonder if we should just sit here in silence 'cause

Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much

If I see a blue car today  
We'll probably have to break up  
So I close my eyes while I drive  
And if it rains, then it rains  
And we'll be over by May  
That's just the deal that I made  
In my head

I'm taking everything I see as a sign and  
I know it's crazy  
But what if it's right

I'm here again  
Talkin' myself out of  
My own happiness  
I'll make it up till I quit  
I wonder if we should just sit here in silence 'cause

Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much

Do you still wanna be with me?  
Forever, forever  
I have no idea  
I'm gonna resent you  
I'll forgive you  
Taking everything I see as a sign  
I know it's crazy but what if it's right

I'm here again  
Talking myself out of  
My own happiness  
I'll make it up till I quit  
I wonder if we should just sit here in silence 'cause  
Ooh, ah just shut the fuck up!

Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much  
Ooh-ooh, I think I talk too much

Ooh-ooh, I think I talk too much
