

# renforshort, moshpit

you said you'd spend two weeks at my place and it turned into a month  
it's kinda weird  
you're still here  
running out of ways to tell you i'm not who i was when we first met  
two years  
ago

I'm exhausted running on exhaust  
it's getting really toxic being yours  
I'm so nauseous  
and it's hard to be cautious  
baby we're a moshpit (Ohh)

if i take an elbow to the face  
one more time i think i'll break  
i'm not saying i'm a saint but you're hell  
if i take a kick right to the chest  
one more time then you'll be dead to me  
yea i cant be your life anymore

i don't know how many more times i can come home to your mess and not freak out

stop this mosh pit  
i wanna get out  
cuz if i'm honest  
i'm just sick of falling down  
so won't you stop this mosh pit  
i'm not having fun anymore (Ohh)
