Rent, What You Own

MARK Don't breathe too deep Don't think all day Dive into work Drive the other way That drip of hurt That pint of shame Goes away Just play the game You're living in America At the end of the millennium You're living in America Leave your conscience at the tone And when you're living in America At the end of the millennium You're what you own

ROGER

The filmmaker cannot see

MARK

And the songwriter cannot hear

ROGER

Yet I see Mimi everywhere

MARK

Angel's voice is in my ear

ROGER

Just tighten those shoulders

MARK

Just clench your jaw till you frown

ROGER

Just don't let go

BOTH

Or you may drown

You're living in America
At the end of the millennium
You're living in America
Where it's like the Twilight Zone
And when you're living in America
At the end of the millennium
You're what you own
So I own not a notion
I escape and ape content
I don't own emotion -- I rent

MARK

What was it about that night

ROGER

What was it about that night

BOTH

Connection -- in an isolating age

MARK

For once the shadows gave way to light

ROGER

For once the shadows gave way to light

BOTH

For once I didn't disengage

MARK

Angel -- I hear you -- I hear it I see it -- I see it My film!

ROGER

Mimi I see you -- I see it I hear it -- I hear it My song!

MARK

Alexi--Mark
Call me a hypocrite
I need to finish my own film
I quit!

ROGER

One song--glory Mimi Your eyes...

BOTH

Dying in America
At the end of the millennium
We're dying in America
To come into our own
And when you're dying in America
At the end of the millennium
You're not alone
I'm not alone
I'm not alone
