

Rent, Without You

Mimi:

Without you, the ground thaws
the rain falls
the grass grows

Without you, the seeds root
the flowers bloom
the children play

The stars gleam
the poets dream
the eagles fly
without you

The Earth turns
the sun burns
but I die, without you

Without you, the breeze warms
the girl smiles
the cloud moves

Without you, the tides change
the boys run
the oceans crash

The crowds roar
the days soar
the babies cry
without you

The moon glows
the river flows
but I die without you

The world revives
colors renew
but I know blue
only blue
lonely blue
Without you

Without you, the hand gropes
the ear hears
the pulse beats

Roger:

Without you, the eyes gaze
the legs walk
the lungs breathe

The mind churns

Mimi:

The mind churn

Roger:

The heart yearns

Mimi:

The heart yearns.

Both:

the tears dry without you

Life goes on
but I'm gone
'cause I die, without you
without you
without you
without you.....
