

# Rentals, Friends Of P

I'm a good guy for a gal  
So won't you look my palm over?  
I've got time for a chat  
So won't you tell me my future?

I'm gonna break down at fifty  
And I'm not quite a stallion  
I'm a good guy for a gal  
And I'm mentally slipping

Oh yeah, oh yeah, what's that you see?&quot;  
Oh boy, find out, what's up with me  
Oh yeah, oh yeah, what's that you see&quot;  
Tell me, more of what's gonna be

If you're friends with P.  
Well then you're friends with me  
If you're down with P.  
Well then you're down with me  
Friends of P.  
Friends of P.  
Friends of P.  
Friends ooh woo hoo hoo

Somebody's fame and fortune  
Is gonna come to me early  
I get two loves in my life  
And I'm dying at 90

Oh yeah, oh yeah, what's that you see?&quot;  
Oh boy, find out, what's up with me  
Oh yeah, oh yeah, what's that you see&quot;  
Tell me, more of what's gonna be

If you're friends with P.  
Well then you're friends with me  
If you down with P.  
Well then you're down with me
