

# Rentals, She Look's At Me

She looks at me, oh so pretty  
Touching me with her smiling white teeth.  
She's showing me the place  
Where everything is heard and said.  
She's showing me the place  
Which is underneath my bed  
She looks at me, oh so pretty  
Touching me with her smiling white teeth.  
She's showing me the place  
Where everything is heard and said.  
She's showing me the place  
Which is underneath my bed
