

# Repo! The Genetic Opera, Legal Assassin

Nathan:

Where did our daughter go?

It's me she must escape.

My burdens I can't erase.

The mother I might have saved.

Assassin... murderer... monster

Nathan:

Marni, I need you now.

Look what I've become.

The nightmare that she should fear

Is the father you left alone!

Assassin... murderer... monster(x3)

Nathan:

The years roll by without you, Marni.

17 have come and gone.

I raised our Shilo with the best intentions.

But there is something I can't tell her.

I am lost without you here!

I am only living out a lie!

And Shilo can never leave.

She is my everything.

Nothing can bring you back.

Shilo is all I have!

Assassin... murderer... monster(x3)

Nathan:

The years roll by without you, Marni.

17 have come and gone.

I raised our Shilo with the best intentions.

But there is something I can't tell her.

I am lost without you here!

I am only living out a lie!

Assassin! Assassin! Assassin!

Nathan/Repo Man:

I'm the monster! (Assassin! )

I'm the villain! (Assassin! )

What perfection! (Assassin! )

What precision! (Assassin! )

Keen incisions, I deliver!

Unscathed organs, I deliver!

Repossessions, I deliver!

I'm the Repo, Legal Assassin!
