

Res, Ice King

Although you are an ice king
Everything that you gave to me
came from the destitute and the torn
I can't live this life no more

Just another wasted one
Like a fallen star in Babylon
you said i was your princess baby
i told you certain thing you can't posess
so let me go
let me go
cuz i

i've given until i break
the ground beneath us quakes
how can we grow when we've only begun?
Forsaken beneath the sun (Repeat)

Although i've seen your wickedness
I still love your effervesence
and i know that lovin you don't make no sense
i guess that's why i like it

just another priceless one
all our dreams are now foregone
you said i was your princess baby
i told you certain things you can't possess
cuz i

i've given until i break
the ground beneath us quakes
how can we grow when we've only begun?
Forsaken beneath the sun (repeat)

Although you are an ice king
everything that you gave to me
comes from the destitute and the torn
i can't live this life no more
oh no oh

i've given until i break.....
