

# Res, If There Ain't Nothing

i can see our high don't come so quick no more  
seems you get your kicks from at some other store  
still come around when lucks down  
and you're all alone I'm sure  
well i ain't gone be there  
i ain't gone be your love no more

CHORUS(2x):

if there aint nothing that we can do  
it's cool  
i'd rather be alone and onto something new

tell you what let's push all excuses aside  
don't worry about my feelings  
what you got something to hide  
i gave you all that i am  
you kissed me so soft then lied  
i know you're off sides baby  
i see those tables dont tilt right

CHORUS2x

and then you wonder why  
i need sometime to myself  
you're the reason why  
i want to be by myself  
and then you wonder why  
i want to be alone  
you're the reason why  
you're the reason why

and in the middle of the night i can hear you wondering  
and in the middle of the night i can hear you wondering  
are there some things that i should know  
you aint fooling me

CHORUS4x
