Miracles  
[from Maid In Manhattan soundtrack]

If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I  
If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I

I might have to move heaven and earth  
To prove it to you baby  
So we'll make love  
When you feel the power  
And I feel the power  
Then there's really nothing we can't do  
If we wanted to  
You know exist on a side  
It'd be so easy  
Oh oh oh  
All we gotta do is get a little faith in you

If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I  
If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I

I can't hear windmills and rainbows  
Whenever you're walking with me  
And I feel like swirling and dancing  
Whenever you're walking with me  
You feel like a river  
When I touch you  
When I pluck your body like a string  
When I started dancing inside you  
It makes me wanna sing  
Oh baby  
Oh I need you  
Oh baby  
I need you  
I need you my baby  
Oh yeah all right  
Baby we can do it tonight  
Oh yeah all right  
Baby we can do it  
Baby we can do it tonight

If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I  
If only you believe like I believe baby  
We'd get by  
If only you believe in miracles baby  
So would I
