

Res, Say It Anyway

Say say it anyway if you want to
'Cuz I don't care anymore if they hear you
Say say it anyway if you want to
'Cuz I don't care anymore if they hear you

We might head out from our show pocket
Maybe from now on I'll do what I say
My legs do their work but my heart
sometimes just can't get it straight
I always knew I had it in me
not to be nobody's second rate

CHORUS:

Say say it anyway if you want to
(Say what you want to use up)
'cuz I don't care anymore if they hear you
(I don't know who gives up)

Say say it anyway if you want to
(Say what you want to use up)
'Cuz I don't care anymore if they hear you
(I don't know who gives up)

I hope you won't go out of my way
Your jar is empty
and you've got nothing to give
I took all that was mine
and there it goes in first place
You had me thinking I had lost the one thing
only you could make

(Chorus 2x)
