

Reset, Pollution

Everyone is watching
I don't want you to go
Some how nothing
here feels right
This life feels like a twisted T.V. show
That I don't know
I'm not a walking commercial
My life is not a rehearsal
I'm not looking for the perfect answer
You should open up my mind
To things I haven't yet
seen in my dreams
Your part of them now
I don't know how
Some might say I don't fit in
I never wanted to
You and I we don't fit in
We never wanted to
Everyone is following
Commercials lead the way
I'm not a walking commercial
My life is not a rehearsal(x2)
