

# Resource, I Just Died In Your Arms Tonight

Oh I just died in your arms tonight  
It must have been something you said  
I just died in your arms tonight  
I keep looking for something I cant get  
Broken hearts around me  
And I dont see an easy way to get out of this  
Her diary it sits on the bedside table  
The curtains are closed, the cas in the cradle  
Who wouldve thought that a boy like me could come to this  
Oh I just died in your arms tonight  
It mustve been something you said  
I just died in your arms tonight  
Wo oh oh I just died in your arms tonight  
It mustve been some kind of kiss  
I shouldve walked away  
I shouldve walked away  
Is there any just cause for feeling like this  
On the surface Im a name on a list  
I try to be discreet, but then blow it again  
Ive lost and found, its my final mistake  
Shes loving proxy, no give and all take  
Ive been thrilles ti fantasy one too many times  
It was a long hot night  
She made it easy, she made me feel right  
But now its over the moment has gone  
I found my hands not my head  
I know I was wrong
