

Reverend Horton Heat, Revival

I'm lookin' for revival
Across cloudy sky
I'm lookin' for the sunshine
Teardrop in my eye
I see my share of stormy days
Now i think I do
I'm just lookin' for a reason
Believe I made it through
I'm just lookin' for revival
That's all that I can do
I'm lookin' for some colors
Don't need a pot of gold
I'm just waitin' for my clear sky
Now I'm growin' old
I've done my share of stupid things
I regret to say
And no matter what I do now
Time cannot repay
I'm just lookin' for revival
Today may be the day
Hey!

(solo)

When a man has lost his family
That's all that he can lose
Then I found out the hard way
Sometimes nothin' cures the blues
I see my share of stormy days
Now i think I do
I'm just lookin' for a reason
Believe I made it through
I'm just lookin' for revival
That's all that I can do
Hey!
