

# Reverend Horton Heat, Wiggle Stick

I got a wiggle stick, momma  
And you&#039;ll like it a lot  
I got a wiggle stick, momma  
And you&#039;ll like it a lot  
When I start to shake baby what I got  
You start to shake it with me honey  
Things get hot

I got a whammy bar, momma  
And it&#039;s just your size  
I got a whammy bar, momma  
And it&#039;s just your size  
When your knees start to squeeze  
And you open your eyes  
My whammy bar shakes and it satisfies

I got a vibrator nob  
Let me flick your switch  
I got a vibrator nob  
Let me flick your switch  
When your knees start to squeeze  
And your lip starts to twitch  
My vibrator nob&#039;s gonna&#039; scratch that itch  
(Yeah scratch it baby!  
Scratch it  
Scratch it  
Yeah!)

I got a wiggle stick, momma  
A wiggle stick, momma  
I got a wiggle stick, momma  
I got a wiggle stick, momma  
When I start to shake baby what I got  
You start to shake it with me honey  
Things get hot
