Reverie Sound Revue, One Marathon

I see you carry the code Its in code III be left again And the sun seems to follow through Whoa, on a promise to follow you Baby the climb, will in time brim out you as youre always Seek in me a harmony of rhyme In time as I wait As time unwinds Chorus: As I dive over the finish line As I dive over the finish line I see you calling his name Yes, and cant explain the whys of your wishes Then you call me places And you leave me ages While I send my senses to outplay my patience But I know you know I I must swear you hear me say, Though, our misses are not in glance So, I miss you, whoa, whoa

Chorus:

As I dive over the finish line As I dive over the finish line As I dive over the finish line

And I run through, through you
