

# Revis, Straight Jacket Labels

Words pierce through the air  
They make you wear  
To get you in a straight jacket label  
with your face turned to the wall  
this place penetrates  
when everyone that ever tries to  
tell you that you're not the same  
watches you fall

\*chorus\*

you're pushing on the wall inside  
you're pushing outside to find  
the reasons you run from this place  
when they label you  
(pushing on the wrong side)  
you're inside

thinking of everyone you ever  
knew when they put you outside  
the separating wall I can see you  
standing there waiting  
for the answer to the reason  
no one operates the way you do  
your point of view

(Chorus)

Everyday that they can't see  
afraid of what they might find  
In the way of what they see  
afraid of what they might find  
In the way of what they see  
afraid of whats inside of you  
(same) to the end label you.

reasons you run from this place  
(you're pushing on the wall inside)  
(REPEAT)
